VERSATILITY. With over 52,000 square feet of combined outdoor and indoor event space, Esplendor offers a multitude of options to fit your needs.

DESTINATION. With 300 days of Arizona sun, the beauty of the high Sonoran Desert, proximity to Old Mexico, horseback riding, and the lure of the Old West, Esplendor is more than the typical conference hotel.

EXPERIENCE. Live the Old West at Mesquite Gulch, featuring campfire cookouts, saloon, stage with gallows, corral, and the beauty of an Arizona sunset.

RECREATION. Featuring one of the few original Robert Trent Jones Senior designed golf courses, the 18-hole championship course offers unequaled scenic beauty, mesquite lined fairways, and sweeping mountain vistas. Consistently rated one of the top public courses in the state, the course also hosts the PGA Tour Qualifying School. Esplendor also offers four lighted tennis courts.

RELAXATION. Bask in the warm Arizona sun poolside or escape to the sauna or jacuzzi. Explore lush gardens, the nature trail, or meditative vistas of the Santa Cruz Valley.

DISCOVERY. Taste the flavors and cooking traditions of Old Mexico. The Dining Room features award-winning seafood and acclaimed steaks with commanding views of the Santa Cruz Valley or savor the sweetness of fine blue Agave tequila in the rustic Saloon. For warm Arizona evenings enjoy a shrimp ceviche with a fresh mango margarita on the dining veranda or enjoy casual cuisine on the stunning patio overlooking the lake at the 18th hole at the country club.
