

Race for *goodness*

Give Kids a Chance... *at living*

“ Join us as we unite in an effort to battle **world hunger** and feed our **starving children.** ”

Children are the most visible victims of malnutrition. Children who are poorly nourished suffer up to 160 days of illness each year. Poor nutrition plays a role in five million child deaths each year. Malnutrition magnifies the effect of every disease and reduces the body's ability to convert food into usable nutrients.
— World Hunger Facts 2009, www.worldhunger.org

“ The Goodness Meal Pack is a meal replacement program that is the first step out of **starvation!** ”

-  The Goodness Meal Pack is effective in meeting basic nutritional needs by simply adding water.
-  A dry powder formulation for the severely malnourished, it helps to strengthen those who cannot properly digest solid food due to long periods of poverty, famine and other disasters.
